

Meta Starters

What would you like to learn today?
What do you already know that could be useful?
What might stop you learning today?
When have you had to think like this before?

Meta Main

What are you thinking about at the moment?
Have you used anything you know to help you?
How do you feel about the lesson?
What have you learnt so far?
What do you want to know more about?

Meta Afters

How will you remember what you've done?

What has this lesson reminded you about?

What new things did you learn?

What have you learnt that you could use elsewhere?

How will you use what you've learnt?
